- Youth Club Coaches, Volunteers, USATF SD Board Members
 - Youth Clubs must enter the current year Individual USATF membership number for every coach and every volunteer that will be in direct contact with a youth athlete.
 - All Youth Club Coaches and Volunteers must take the 90-minute SafeSport course.
 - Background Screenings must be passed by each individual in order for your club's application to be approved, and for your club to be covered by the General Liability Insurance Policy for club practices.
 - Current year Individual Memberships must remain active (be renewed prior to expiration date), in order for Background Screening Status to remain valid, and club membership to remain active.

Note: Even if you are Not a Youth Club it is highly recommended that our Open and Masters Club Teams coaches and volunteers do the Background Check and take the SafeSport Course. It's important that we all create a Safe environment for all of our athletes young and old.
