With just a week after their 50km, Nick, Matt and Katie impressed everyone with Katie and Matt getting a PR, and with Nick walking the fastest time in the US so far this year. Not to be outdone was Natos breaking 12:00 for the first time in his career and Miranda walking the fastest time in the US so far this year.

Alex Bellavance qualifies for his second indoor championships and Mario de Los Rios is on the comeback trail after a short-lived retirement. We had two new young walkers participate also who walked their first ever 3,000m. Great job girls!

Thanks so much to all of the judges and volunteers who came out to support the athletes today.
